

REVELATION RIESLING 2023

Goose Gap AVA, Columbia Valley, Washington

TASTING NOTES: The 2023 Revelation Riesling shows beautiful aromatic notes of pear, melon, and lavender layered into a fragrant perfume. The rich, nectarous texture complements flavors of juicy ripe stone fruits and pears, offering a delightful balance of sweetness and acidity.

VINIFICATION: This Riesling was produced from grapes harvest from our warmest, ripest blocks. All the grapes were harvested during the cool mornings to preserve freshness and handled as delicately as possible: whole cluster pressed upon receipt at the winery and fermented very cool in stainless steel tanks. Yeast was selected to ferment cool, slow, and steady to retain as much vibrant fresh aromatics as possible The fermentation was arrested with a beautiful balance of bright acidity and luscious sweet ripe fruit flavors.

INTERESTING FACT: The artwork on Revelation's label was painted by Washington artist Katie Small. Katie's painting, titled "Lolita", stands as a reminder that style and strength are more than just this season's fashion, they come from within.

STORY: Revelation is rooted in three generations of strong, confident women steeped in vineyards, wine, and grape growing. A female force has impacted this wine at every step of the process, from the vineyards and cellar to the design, marketing, and sales.

Goose Ridge Estate Vineyard is one of Washington State's premier vineyards, producing some of the finest wines in the United States. The grapes come from a remarkable 2,200-acre estate vineyard located on a gently sloped site near Benton City known as "Goose Gap," not far from the famed Red Mountain AVA. Wine grapes in the Goose Gap AVA flourish under long, hot days, cool nights, and minimal rainfall during the growing season. Taking Mother Nature's remarkable palate and amplifying it with an unwavering commitment to modern vineyard management and sustainable farming practices. Vineyards are managed for low yields to ensure intense, complex flavors and exceptional quality.
