

SILVIO ALBERTO

Wine Director

Silvio Alberto is one of the best-known winemakers in Argentina, recently chosen by The Drink Business – Global Master as one of the top 100 winemakers in the world. Silvio has a degree in Enology with vast experience in renowned wineries in Mendoza in different positions as general manager, chief winemaker and responsible for the vines management.

He joined the Bodegas Bianchi team in 2018 as Wine Director with a mission is to update their classic brands and oversee the creation and running of the first Bianchi winery and vineyards outside San Rafael. This winery is located in Las Flores, in the Uco Valley, just outside Mendoza City. From there, Silvio is making new wines, including Gran Familia, and adding grapes from these vineyards to the Familia wines. He is helping the fourth generation continue in the successful footsteps

of their great-grandfather, grandfather and parents to ensure that Bodegas Bianchi thrives for many years to come.
