“Press Highlights”

2023

- 90 Pts. – VINEPAIR, *May 2024*

“While Provence reigns supreme in the world of French rosé, this bottle from a historic producer based in the southern Rhône's Châteauneuf-du-Pape appellation is worth seeking out. It's a blend of 50 percent Grenache, 30 percent Syrah, and 20 percent Cinsault, which gives it a great balance of bright fruit flavors and structure. There are notes of peaches, juicy white cherries, and raspberries with a crisp minerality on the palate.”

- 90 Pts. – TASTING PANEL, *September 2024*

“Summer may be long over, but you can relive it in a single sniff and sip of this playful pale-orange blend of 50% Grenache, 30% Syrah, and 20% Cinsault, which delivers loads of cherry and peach charmingly accented by hints of bubblegum and mint ice cream. Simultaneously slick and mouthwatering, it's edged with citrus rind on the refreshing finish.”
