## Cabernet Sauvignon

### Press Highlights

2023

- **90 Pts., Best Value Cabs Under \$40 – TASTING PANEL**, *May 2025 Issue*

“Full-bodied charmer, with milk chocolate cherries and red beets. Chewy tannins allow a textural pleasure, sweeping the palate with blueberry gelée and ending with a toasty coating.”

2021

- **91 Pts. – TASTING PANEL**, *November/December 2023 Issue*

“Cool blue and black fruits precede flavors of Mexican mocha: coffee, cinnamon, and nutmeg. The blackberries and blueberries are bright and juicy, making for a medium-bodied Cab you can drink on a warm day. It’s a true outlier in the \$15-and-under California Cabernet Sauvignon category.”

- **Best Buy – WINE ENTHUSIAST**, *February 19, 2024*

“Classic aromas of cassis and pencil shavings are the core of this balanced Cabernet. On the palate, there's more mineral intensity and a nice balance between the rich tannins and juicy acidity that gives this wine a bit of a lift.”

2019

- **90 Pts. – JAMES SUCKLING**, *November 3, 2021*

"Aromas of ripe raspberries, blackberries and black cherries with notes of flowers, licorice and dried garden herbs. Medium-bodied with fine, polished tannins, bright acidity and a fruity finish. Juicy and easy-drinking. Drink now.”

2017

- **91 Pts. – JAMES SUCKLING**, *August 10, 2020*

“A fruity red with plum, chocolate and berry aromas and flavors. Medium body, round tannins and a fruity finish. A year or two in bottle will improve it. Try in 2021.”

- **90 Pts. ‘BEST BUY’ – WINE ENTHUSIAST**, *August/September Double Issue*

“This firm-textured wine has a wonderful, classic nose of mint, black currants and black cherries followed by a full body and lush mouthfeel. It feels balanced by fine-grained tannins and good fruit acidity that adds freshness.”
