

Ancient oak trees dot the landscape of Alexander Valley from the rolling floor to mountainsides. Our "Walking Tree" Merlot takes his name from one of these majestic oak trees that remarkably "walks" down a steep grade of the vineyard during heavy rains, all the while remaining upright and very much alive.

## Walking Tree Merlot

### Press Highlights

2019

• 91 – JAMES SUCKLING, *May 2024*

“Ripe red and dark berries with notes of chocolate, spices and bark. Broad, succulent and nicely filled with fruit, with a medium to full body and velvety tannins. Shows good length and depth. Drink or hold.”
