2021

- 90 Pts. – JAMES SUCKLING, *January 2025*

“Full-bodied but well polished, offering nicely ripe fruit and meaty, spicy accents on an easy texture. This could almost be a Cotes du Rhone with its dark plums, beef and milk chocolate flavors backed by rounded tannins. Drink now.”

- 90 Pts. – TASTING PANEL, *July 2024*

“Rich and ripe, with black cherry surrounded by firm, well-developed tannins. Flavors of coffee and plum skin are dusky and savory.”
